PSYCHOLOGICAL PROFILE & HABITS

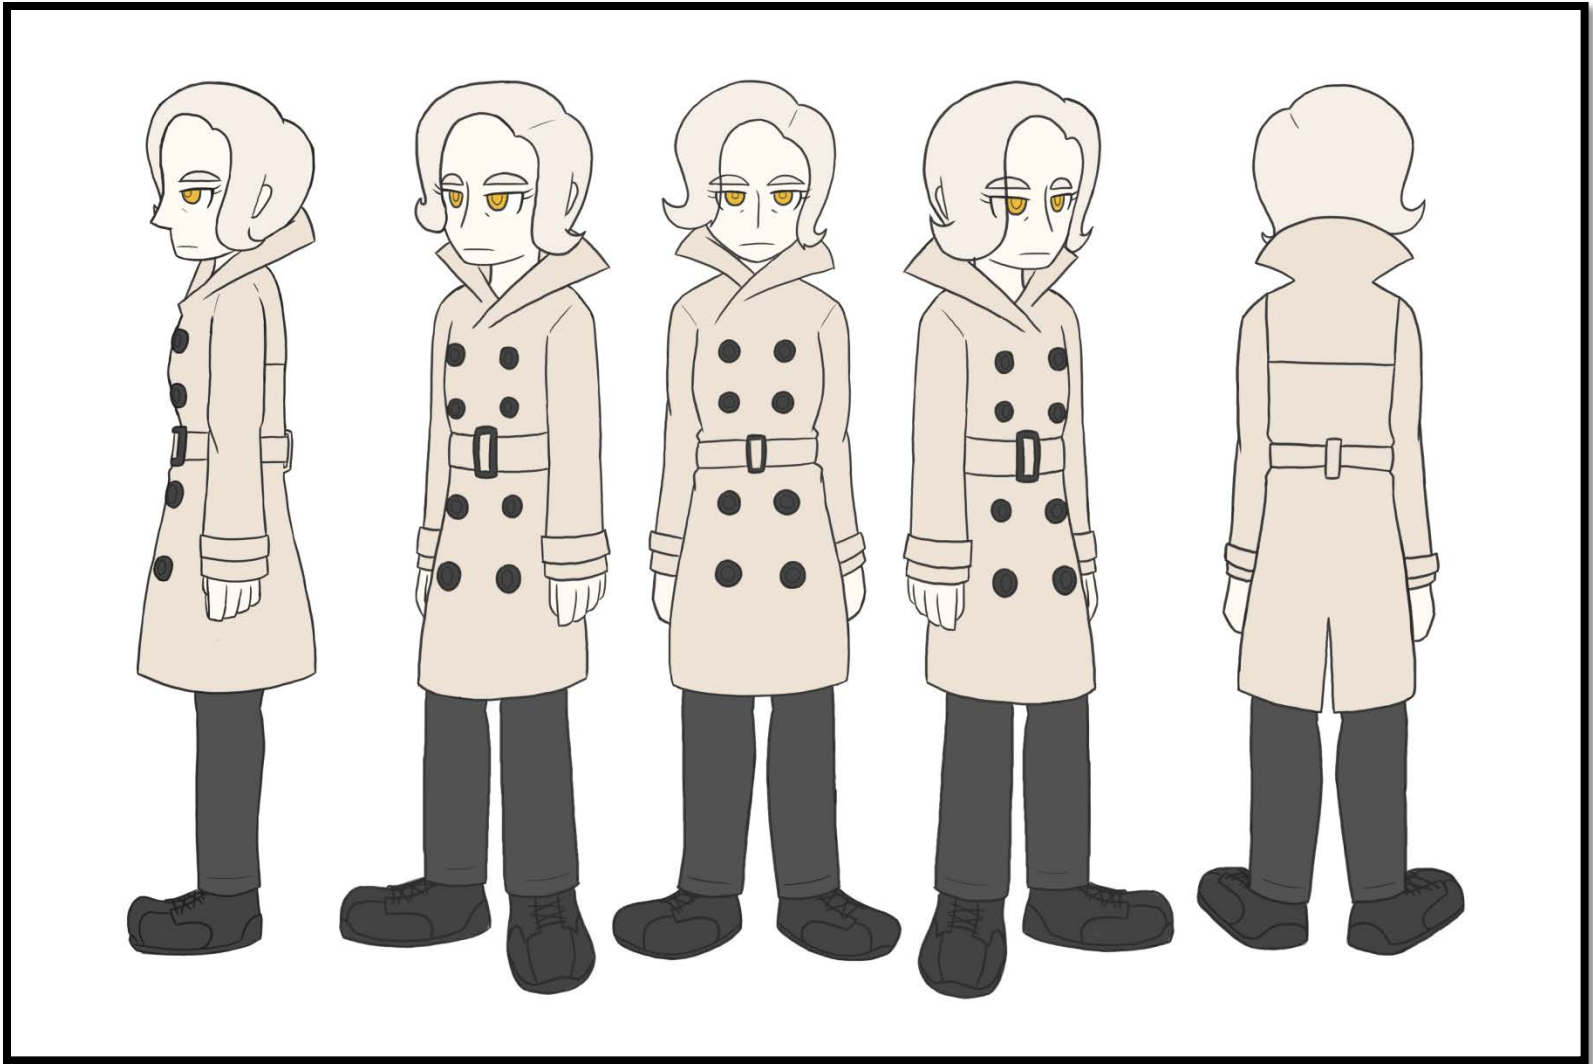

- Utterly obsessed with noir fiction genre.
- Tries to seem cold and distant towards others, mostly due to obsession with noir fiction genre.
- General disposition cracks completely when drinking alcohol, when under stress, or when genuinely excited over various things (mostly noir fiction).
- Eyes are usually half-open as if she is perpetually bored, unless she is under the influence of any of the above.
- Walks in a slight hunchback.
- Usually puts hands in pockets.
- Strong-willed when it comes to loved ones.
- Hopeless Romantic.
- Alcoholic.
- Despises traitors and liars.
- Tolerates her job but has certain distaste with most co-workers.
- Not the type to complain outwardly.
- Writes a lot about the distaste of being in the working class in her stories
- Has an inferiority complex concerning her elder sister.
- Dreams to be the greatest noir fiction writer in history.
- Has been generally unsuccessful with her planned writing career.
- Has a very small, dedicated fanbase.
- Sometimes has an internal monologue.
- Sometimes has an external monologue by accident.
- Generally keeps residence clean enough to live comfortably in.
- Does not feel comfortable throwing away week-old pizza from her apartment.
